„I never felt this good“
 - Jarl Magnus Jakobsen, former student

THE FOLK HIGH SCHOOL

At the school we have facilities like workshops, living rooms and outdoor space that you and the other students can use freely during both daytime and in the evenings. You will find places that inspires you to get new interests or gives you the possibility to spend time doing things you already like. We offer you:

- art room
- design room
- gym for ballgames
- music studio
- gamer room
- living room with TV
- fireplace and couches
- football field
- table tennis and pool table
- fitness studio
- drama room with stage

YOU DESIGN YOUR OWN SCHEDULE

Here at our school you create your schedule, just as you like it. Each semester is divided into several periods and you choose new subjects each period. You can choose to immerse yourself into a few subjects, or you can try many different ones. Some of the classes you can choose are:

- music
- art
- sports
- design
- media
- gaming
- outdoor life
- cooking
- psychology
- philosophy
- drama

SCHOOL WITH NO GRADES OR EXAMS

At the Youth Folk High School at Ribe the students get no grades and there are no exams. You get the chance to try a lot of creative subjects and to spend time on things you are good at. Classes are taught in both Danish and English.

YOU LIVE AT THE SCHOOL

You live at the youth folk high school in one of our three wings - all in direct connection to the center of the school. You can stay in a double or single room. All our rooms are cozy, and you can decorate your own room with posters and pictures as you like.

NEW FRIENDS

At the Youth Folk High School at Ribe you become part of a greater community. You will meet other young people from all over the world. You will make new friendships that last forever.

A BREAK

A stay at the Youth Folk High School at Ribe is a break from formal education. Here you'll find the space and time to be you! Take your time to find out what you are good at, spend time on your interests and find new ones. We have the facilities that enable you to explore music, art, drama, fitness and much more. And lots of space where you can be just you.

LIVING 24/7

At the Youth Folk High School there's a flow between classes and spare time. Our creative workshops, music studios and sports facilities are always open - in the evenings and weekends too.

PARTIES

Living at a Folk High School includes parties. The students form a party committee that plan the big parties, choose themes and make the preparations. We also have weekend cafés, gaming nights, cozy weekends and much more.

STUDY TRIP

We go on a study trip each semester to a larger city. We explore the city life, the culture, history and nature in the city, and together we get fantastic experiences. Recently we have been to Edinburgh and Bergen, and in the near future we will go to Tiznit in Morocco.

SEMESTERS

You attend courses at the Youth Folk High School at Ribe in semesters, which each last half a year. Autumn and spring. You make the choice of how long time you are going to stay at the school.
